Relaxing Old Keys living in the heart of Key Largo! Ready to live the island life without the paradise price tag? The neighborhood boat ramp with bay, intercoastal waterway and ocean access is just across the street, and there's also a clubhouse and a quaint neighborhood beach to wade directly into the bay. The area all around the neighborhood on the bayside also offers great kayaking, paddleboarding and back country fishing. The highlights of this Keys classic concrete block home are the warm and inviting tongue and groove wood ceilings plus the new metal roof. Outside is plenty of room in the yard for your boat and water toys. The Pirate's Cove neighborhood is also close to all the most popular restaurants and bars by land or sea, and it also offers plenty of nearby shopping opportunities and an easy one hour drive to the mainland (if you must!) Call today... this one won't last!
